Description

as you can see in the picture, the line is not at the end of the entry, but after the timestamp-line

is:

```
[timestamp]  user : Hello people, this is a
---------------------------------------------------------------
linebreak and the line should be
after this
[timestamp] other : You are right
```

should be:

```
[timestamp]  user : Hello people, this is a
linebreak and the line should be
after this
---------------------------------------------------------------
[timestamp] other : You are right
```
