

## Quassel IRC - Feature #469

### Show old topic on topic change

01/06/2009 09:38 PM - nightrose

<b>Status:</b>	New	<b>Start date:</b>	01/06/2009
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>		<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>			
<b>OS:</b>	Any		
<b>Description</b>			
When the topic is changed it would be nice to show something like "Topic was changed by \$foo from \$bar to \$foobar" instead of just "Topic was changed by \$foo to \$foobar". Most of the time I have no idea what people changed in the topic otherwise.

A nice 'advanced' option would be, to display the change as a diff.

Sounds more like a feature for a script. I've got one such a topic diff script around somewhere, I'll tweak it for quassel when the plugin API is ready.
