

## Quassel IRC - Feature #585

### Add different "profiles" to the chat monitor

03/01/2009 12:21 AM - sph

<b>Status:</b>	New	<b>Start date:</b>	03/01/2009

<b>Description</b>			
Right now, you can set the chat monitor to filter messages on certain buffers. But depending on what I'm doing (work, project...), I'd like to set a different filter. At the moment this is not possible without reconfiguring the current filter (and dragging around some channels).
