Target version:	
OS: Any	
Description Would it be possible to have an option to enable user's channel status beside their nick when they talk? Eg: "[22:52:46] <user> sample" -> "[22:52:46] <@user> sample"	
Related issues: Is duplicate of Quassel IRC - Feature #550: Appearance ptions New 02/12/2009

This is usually called a "modechar" (mode character) because people are set as op, halfop, voice, etc. by setting channel modes, in IRC terminology. This issue thus duplicates [#550](#).
