Quassel IRC - Feature #1066

Usability improved when failing to add user

03/18/2011 10:22 PM - letharion

Status: Start date: 03/18/2011 **Priority:** Due date: Low Assignee: % Done: 0% Category: Usability **Estimated time:** 0.00 hour Target version: OS: Any

Description

When core fails to add a user it simply states that it failed, with no indication of why.

It would be helpful with a more descriptive error message :)
