

Quassel IRC - Bug #1115

Can't open links in topic

10/25/2011 08:20 AM - mattwb65

Status:	Resolved	Start date:	10/25/2011
Priority:	High	Due date:	
Assignee:		% Done:	100%
Category:	Quassel Client	Estimated time:	0.00 hour
Target version:		OS:	Any
Version:	0.7.2		
Description			
If you click on a link in the topic bar, it will not open.			

Associated revisions

Revision 2a912804 - 10/10/2013 08:07 PM - Bas Pape

Strip formatting when looking up the clickable.

In the TopicWidget the list of Clickables is initialized with text stripped of formatting, so when looking up their positions again, the formatting should be stripped as well.

Fixes #1115

Revision 8b0e32ab - 10/10/2013 09:20 PM - Bas Pape

Strip formatting when looking up the clickable.

In the TopicWidget the list of Clickables is initialized with text stripped of formatting, so when looking up their positions again, the formatting should be stripped as well.

Fixes #1115

Could you provide some more details? A regular click works fine for me, right-clicking does not show a context-menu though (which probably would be an issue). In it's current state this report would be invalid.
