History

#1 - 09/04/2012 11:15 PM - TheLink

- File Quassel_Crash.txt added

Edit: Additionally attached the crash log.

#2 - 09/04/2012 11:43 PM - TheLink

- File Quassel_Crash2.txt added

Yet another crash log.

#3 - 09/04/2012 11:53 PM - TheLink

- File Quassel_Crash3.txt added

And again. I get these crashes reliably when leaving full screen mode. The first crash must be unrelated though since it happened without any interaction.
