

## Quassel IRC - Bug #1379

**Quassel should only highlight message content, leave nick colored.**

08/20/2015 11:44 AM - gry

| When someone highlights me, there should be an option to make his/her nick stay its color instead of being turned into the highlight color. That is, only the message should become \$highlight_color. |        |                        |            |
