

Quassel IRC - Bug #1586

Selecting the wrong file as client certificate causes quasselclient to disconnect from core

07/20/2020 01:49 PM - jjakob

Status:	New	Start date:	07/20/2020
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		OS:	Linux
Version:	0.13.0		
Description			
<p>I was changing certificates for an identity and mislicked in the file selection window. This caused quasselclient to disconnect from the core and show "Error while reading" in the info field.</p> <p>OS: Ubuntu 16.04 LTS quassel version: 0.13.1-2ubuntu0~ppa0~16.04.0</p>
