Description			
I am using GNOME 47.3 on Wayland, and the Quassel icon appears like this: Screenshot-From-2025-02-27-13-46-31.png			
quassel v0.14.0 (dist-da9c1c9)			
Using the Fedora package: https://packages.fedoraproject.org/pkgs/quassel/quassel/			
OS: Fedora 41
