

Quassel IRC - Bug #325

CoreConnectionDialog forgets data, SSL status not reflected correctly

09/26/2008 01:40 AM - Sputnik

Status:	Resolved	Start date:	
Priority:	High	Due date:	
Assignee:	Sputnick	% Done:	0%
Category:	Quassel Client	Estimated time:	0.00 hour
Target version:	0.3.1	OS:	Any
Version:	0.13.1		
Description			
<p>Toggle the SSL checkbox and click OK -> Quassel seems to forget stored account data Also, after disabling SSL and reconnecting to the core, the "secure" icon was still shown in the statusbar (restarting the client fixed that).</p> <p>Not sure if/how those two relate, don't have time to investigate this more, so I am posting this mostly that I don't forget :)</p>
