

## Quassel IRC - Bug #448

### add a progress thing between request backlog and get backlog

12/20/2008 12:00 PM - ZRegis

<b>Status:</b>	Resolved	<b>Start date:</b>	
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	100%
<b>Category:</b>	Quassel Client	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>		<b>OS:</b>	Any
<b>Version:</b>	0.3.1+		
<b>Description</b> on a 22b225b: There is no message between "request backlog from core " and "receive x backlog "  A progress message would be perfect or a . . . . . etc.  It is really sensible when you have weird connection.
