

Quassel IRC - Bug #451

Cannot gline using Quassel.

12/22/2008 08:49 AM - dorkfish

Status:	Rejected	Start date:	01/13/2009
Priority:	Normal	Due date:	02/16/2009
Assignee:		% Done:	0%
Category:	General / Unspecified	Estimated time:	1.00 hour
Target version:	0.4.0	OS:	Any
Version:	0.3.1+		
Description			
<p>I'm an ircop on a network, and for some reason I'm not able to gline users when using quassel. I'm able to gline them when using xchat or other IRC clients, so the only thing I can figure is it's a quassel bug. This is the error I see when testing a gline on a user:</p> <ul style="list-style-type: none">• Error: GLINE Fayz 1s test <p>I am able to /kill users just fine, and all of my other ircop commands seem to work, except for /gline.</p>			

History

#1 - 12/28/2008 01:52 AM - Sputnik

- Priority changed from High to Normal

#2 - 01/13/2009 09:46 PM - EgS

- Due date set to 02/16/2009

- Status changed from New to Confirmed

- Target version set to 0.4.0

- Start date set to 01/13/2009

- Version set to 0.3.1+

#3 - 01/13/2009 09:46 PM - EgS

- Estimated time set to 1.00 h

#4 - 02/04/2009 11:52 PM - EgS

- Status changed from Confirmed to Rejected

the gline command is not specified by the IRC RFC and therefore is network specific. I checked weechat and irssi, which both don't have a built in /gline command.

If you use glines on a regular basis I recommend adding an alias.
