

Quassel IRC - Bug #525

Client allows to enable "away" options without setting a reason

02/08/2009 11:57 PM - amiconn

Status:	Resolved	Start date:	02/08/2009
Priority:	Normal	Due date:	02/16/2009
Assignee:	EgS	% Done:	100%
Category:	Quassel Client	Estimated time:	0.00 hour
Target version:	0.4.0		
Version:	0.3.1+	OS:	Any
Description			
The client configuration allows to enable "away" options without also setting a reason. The effect is that "away" won't work because of how the /away irc command works. The GUI should probably check these settings and not accept an invalid configuration like this.
