

## Quassel IRC - Bug #656

### Multiple actions like op, deop, etc. won't group by using the context menu.

**Description**

When doing an op with  
/op wurst kuchen  
everything works like a charm:

[17:22:07] \*\*\* Mode #quassel +oo wurst kuchen by EgS

When doing the same stuff by using the context menu, it separates:

[17:22:07] \* **Mode #quassel +o wurst by EgS**  
[17:22:08] \* Mode #quassel +o kuchen by EgS

Comments:  
-\* - Sput thinks that could be an easy fix in NetworkModelController

Please note that afaik there's a limit for grouping actions on most networks, usually 3 on ircnet.

Also using the /op command has a bug, which is possibly connected to this issue.

I performed:

```
/op Chain-OFF dang``rus ddeml fashion_giZMo^fr GyrosGeier Janusch Janusch_1way
```

The result:

- Mode #bporga +ooo Chain-OFF dang``rus ddeml by verschdl

The other ppl were omitted.
