

Quassel IRC - Bug #865

quasselclient crash

11/30/2009 02:02 AM - yofel

Status: Closed	Start date: 11/30/2009
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version:	OS: Linux
Version: 0.6-pre	

Description

I closed the notebook lid and disconnected AC to move the notebook somewhere else, and after opening the lid again DrKonqi was there. (Backtrace attached)

Qt 4:4.6.0~rc1-1ubuntu1
quassel client 0.5.0+44 git-ddfd120
quassel core 0.5.0+44 git-ddfd120 (remote)

History

#1 - 03/04/2010 08:34 PM - johu

please give feedback, if this is resolved with quassel 0.5.2 or higher

#2 - 03/04/2010 08:34 PM - johu

- Status changed from New to Feedback

#3 - 03/05/2010 09:12 PM - yofel

I don't get this anymore with the git head, maybe it was a qt issue. Feel free to close it.

#4 - 03/06/2010 01:10 AM - johu

- Status changed from Feedback to Closed
