

Quassel IRC - Bug #878

Download link is missing for Ubuntu repositories

12/10/2009 07:31 AM - miohtama

Status:	Rejected	Start date:	12/10/2009
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		OS:	Any
Version:	0.6-pre		

Description

Download page mentions backport releases for several Linux distributions. However, the links are missing.

Finding these repositories might be difficult due to Google noise.

Link to Ubuntu repo:

<https://edge.launchpad.net/~kitterman/+archive/ppa>
