

Quassel IRC - Bug #906

Quassel window position saving

01/28/2010 08:32 PM - ghabit

Status:	New	Start date:	01/28/2010
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		OS:	Linux
Version:	0.5-rc2		
Description			
Every time I log in quassel's window is moving a bit to bottom, so every login I have to change it's position. How to fix it?
