

Quassel IRC - Bug #998

Ignoring still spawns a highlighted buffer on private message

06/19/2010 03:43 PM - jotik

Status: Closed	Start date: 06/19/2010

Target version:	OS: Linux
Version: 0.3.0.x	
Description I have ignored a person on IRC but every time he sends me a private message I still get a highlighted item in the buffer list. This is very annoying. PS: Redmine is missing 0.6.1 in versions combobox and "other" in OS combobox.	
Related issues: Is duplicate of Quassel IRC - Bug #897: Channel highlighted on ignored messages Resolved 01/19/2010
